

What is F.o.S.D.?

Last Updated Thursday, 08 November 2007

The answer in its simplest form is that we are all FOSD. As your child starts at St Davids School

you, as parents, automatically become part of the Friends of St David's. Within FOSD there is a committee made up of parents along with representatives from the senior and junior schools, who throughout the year organise a variety of fund raising and social events.
